

Training on Training : Superfund Technical Training Resources at Your Fingertips

August 2020

Presenters: Jean Balent, USEPA, Christine Poore, USEPA, Amanda VanEpps, USEPA

Where can I find technical training on cleaning up hazardous waste sites?

Clean Up Information Network (CLU-IN)
 Online live courses <https://clu-in.org>
 On-demand online courses

CLU-IN also offers:

- Documents, Databases, and more
- Newsletters – TechDirect
- Podcasts and RSS Feeds

Training Exchange (TrainEx)
 Classroom training <https://trainex.org>
 Some online courses

Environmental Response Team Virtual University (ERTPVU)
 On-demand online courses <https://www.ertpvu.org>

Sign up for the free newsletter TechDirect to learn about the latest training opportunities <https://clu-in.org/techdirect/>

Who can I contact at EPA with questions?

<https://www.epa.gov/superfund/remedial-program-indian-country#contacts>
